**Treasurer's Report** – bills standard, mowing went up, clubs over. Another check from Boro(annual donation)  
Comments: approved unanimously

**Visitors:** Girls Softball, Ideas to improve embankment close to soccer field, water drainage, safety and sitting issues. Would like to acquire bleachers (ins. issue/ acceptable) and concrete. Need help with money possibly. When two games on hard for people to walk by, people need to walk by on embankment. Possible retaining wall, they may have some donations for materials, only upper field, they will lay some lines so we can see areas. Use of sand and tile, 4" drain. How will this effect walking path? Will need some pictures and will have to discuss. Eventually take care of other side. Contact 4 Kinsley 741-3841.

**Old Business:**

Walking Path/Recreation: Funding, none: (( breakfast Kiwians, 1000\$ now, Adrian to send thank you. Help fund top lot. They will need letter for additional money.

Walking path bid, from DCNR has to be a continuous path, plus loop, should bid with stone instead of pavement, cheaper. The alternate should be all but with stone. Bob motion to bid 8 foot wide path continuous with macadem, and alt. same in appropriate stone. All in favor Need to recognize people/organizations for 100\$ and over.

**Boy Scout Projects:**

Park Mowing: Before next season we need to send letter about performance, should have pictures. We have 3 year bid. Jim to talk with him, will have pictures.

Trees down and taken care of, Mr. Eshenower (owners in Greenbriar) paid 150\$ invoice, Jim will ask if we can wait just a little to be paid. Synder Tree removal was who did work.
