Visitors Presentation: Richard Thomas presented his concerns about signs indicating that the soccer fields remained closed to the public for extended periods of time. After further discussion, the Board agreed to remind the soccer association of the policies and their responsibilities for taking down the signs when the fields are "playable" for them and all other visitors to the park.

Old Business:

Resident's Use of Park: Chairman Hess stated that at least one of the piles of debris deposited by neighboring residents was removed in response to letters from Carroll Township. He will be following up with Carroll Township officials concerning the next steps for those not clearing their debris.

Parking: Chairman Hess informed the Board that the new parking lot has been finished and looks good.
