Featured Artist: Carol Williams. Carol Williams is a contemporary abstract and mixed media artist from Carlisle. Her work explores the relationships between color, shape and line and the resulting interactions. Her process investigates the mystery of painting and not-knowing of where a particular work is going. She is an intuitive painter who builds up layers of color and texture to find direction and expression. She focuses on color, contrast and harmony seeking the heart of the subject. For the past 25 years, Carol has been taking classes and workshops at the Carlisle Arts Learning Center, Mechanicsburg Art Center, York Art Association, Dickinson College and the Shenandoah Art Center
