Welcome

Spring is here and we are excited for all that it brings. You'll see more walks at our local parks along with other opportunities to be outside which will increase as temps warm up. I am happy to have kicked off our garden club at the beginning of the season, which not only will better the appearance of our property outback, but we plan to plant a vegetable garden to share amongst our members!

We have a few Easter items on our calendar, including our Easter Celebration at the Dillsburg Senior Center on April 22. We will have things planned for both inside and outside, knowing the weather is a bit unpromising this time of the year. No need to sign up to attend the party, but please do sign up for your meal by the 19<sup>th</sup>!

There is a new spin on Music Monday's this month, with music being provided by guests of our Senior Center. We appreciate their talents being shared with us and can't wait to hear them! Do you have a musical talent you are willing to share? Let us know! We appreciate all of our performers and volunteers who help make our Center everything it is, and love that we continue to grow!

The Dillsburg Senior Center is looking for volunteers to drive for our home delivered meals program.

The Home Delivered Meals Program is designed to provide a well-balanced daily meal to homebound older adults who are unable to prepare adequate meals for themselves and have no other means for assuring healthful nutrition. Meals are picked up at our Center and delivered to clients.

Commit to driving one day a month, or as many as you'd like! You must have your own vehicle, insurance, license, and be capable of carrying items to client's doors. Reach out to Heather at the Center if interested and to find out more!
