*Welcome*

Spring is in the air along with some warmer weather! We will start scheduling activities for outside and try our best to be flexible with the weather when it comes to moving things to inside or outside as needed.

Our walk at Century Lane Park isn't too far from the center for anyone who wants to pop out and join us for a few laps. The park has a nice, paved path with a small stream through the park and is next to a wooded area and a cow field. We will also go on a walk at Pinchot to learn about wildflowers, and we want those interested to keep in mind that this walk is not on a paved path and may not be for everyone.

Thank you to everyone who came out to our Hoss's Fundraiser in March, I always love sitting down to eat and seeing so many faces there to support our senior center!

At the end of the month is Give Local York that Dillsburg Senior Center is participating in this year, which you will see explained on the outside page of the newsletter. Give Local York is a 24-hour giving event, to encourage giving to non-profits in our area. Their organization sets up things such as matches from other companies, to encourage giving. Please see Heather if you have any further questions about this event!

A classic story of Wang Lung, a Chinese peasant farmer, and his wife, O-lan, a former slave. With luck and hard work, the couple's fortunes improve over the years.

They are blessed with sons, and save steadily until one day they can afford to buy property in the House of Want – the very house in which O-lan use to work. Successfully navigating her way through the male-dominated world of horse racing, Chenery, together with veteran trainer Lucien Laurin (John Malkovich), fosters a gifted colt that ultimately crosses the finish line into history as the Triple Crown winner in 1973.
