Welcome

-A reminder that Winter is here! There is a few options for checking if the Dillsburg Senior Center is closed during inclement weather. The decision to close will be posted to Facebook once the decision is made, and our message on the answering machine will be changed as soon as we are able to get in to update the machine. We are required to make the decision by 5:30am if we are going to close, and while we try our best to decide the night before, it is usually best to wait to check until the morning. We will not close simply because it is cold and are here for you if you need to get warm!

Please call us if you plan to cancel your lunch if the center remains open. We understand that weather conditions can change after our decision, and everyone has their own levels of comfort when it comes to venturing out during winter weather, we love to see you but we'd rather you be safe!

Enjoy looking through February's newsletter for our upcoming activities. See you soon!

The book woman of Troublesome Creek is a story of raw courage. Ferce strength, and determination to bring a little bit of hope to the darkly hollows
