## **AARP is Looking for Tax Help Volunteers**

The AARP Tax-Aide Foundation Program is expanding its team of volunteers in York County for the upcoming tax season. They are looking for capable, motivated, compassionate, friendly volunteers.

You don't have to be a tax pro to volunteer with AARP's Tax-Aide program. We're looking for volunteers who want to make a difference in people's lives: people who want to help those unable to afford professional tax preparation — and often miss out on much needed tax breaks and refunds — get money back in their pockets.

We also need volunteers to step up for a variety of roles in addition to tax preparers. The additional volunteer roles include schedulers, greeters, administrative support, instructors, technology assistant and translators. Tax-Aide volunteers receive comprehensive training. But best of all, giving back through Tax-Aide is rewarding and the camaraderie and support makes volunteering fun.

Last year in York County, nearly 100 AARP Foundation Tax-Aide volunteers filed more than 4,200 Federal, PA and local tax returns. The program is offered at 14 locations in: York, Hanover, Delta, Dover, Lewisberry, Manchester, Red Lion, Shrewsbury, Spring Grove and Wrightsville.

For more information on how to get started as a volunteer, leave a message for Lynne at 717.640.5006, email: [info@yorkaarptaxaide.com](mailto:info@yorkaarptaxaide.com) or visit their website at [www.yorkaarptaxaide.com](http://www.yorkaarptaxaide.com).

### **Fraud Alert: Scam Calls Targeting Older Adults**

ACL's Eldercare Locator and Disability Information & Access Line (DIAL) are trusted resources that help connect older adults and people with disabilities with resources in their community. In recent days, Eldercare Locator has noted a significant increase in people reporting they have been targeted by scam phone calls. This includes reports of:

- Callers claiming to be from “Eldercare,” “Eldercare Locator,” “Social Security,” or “Medicare.”
- Callers asking for personal information such as someone's Social Security number, banking information, or Medicare number — or demanding payment, threatening jail time, or fines.
- Harassment, including repeat calls from the same number.

**Here are some important reminders to share:**

1. **The government will never call out of the blue and ask for a Social Security number.**
2. **The government will never ask for payment by gift card or wire transfer.**
3. **Social Security numbers cannot be suspended.**

These general tips can also help everyone protect themselves:

- If you are ever suspicious about a call, hang up immediately. Find the organization's contact information on your own (don't use caller ID), and call or email them directly to discuss the situation.
- Never give out your Social Security number, banking information, or Medicare number to anyone who contacts you through unsolicited calls, texts, or emails.
- Never pay someone you do not know well via gift card or wire transfer.
- Never click on an email link or attachment, unless you fully trust the sender.
- Sign up for the National Do Not Call Registry.

Older adults who are targeted by scams and fraud can call the Department of Justice's **National Elder Fraud Hotline** at 833-FRAUD-11 (833-372-8311). In addition, scams and fraud targeting people of any age can be reported to the **Federal Trade Commission (FTC)** by calling 877-FTC-HELP (877-382-4357) or visiting [reportfraud.ftc.gov](http://reportfraud.ftc.gov).
