Greetings from the Borough Office

Greetings Residents, Business and Property Owners,

As Spring approaches and with the longer days and warmer weather, please take the opportunity to stroll around Dillsburg and catch up with neighbors and friends. The borough park and dog park will be busy with folks of all ages... We remind you to beware of pedestrians as you drive around town. Please stop for pedestrians in the crosswalks – It Is The Law.

As always, please support all the businesses throughout Dillsburg - those that have been fixtures for years and those that are newer to our community. They are a great place to gather, and they need our support.

There are upcoming spring and summer community events - Dill Tavern, Farmer's Market, Little League Parade, Memorial Day Parade, Pickle Fest and many more. Please check the Dillsburg Borough website www.dillsburg.com for additional information on all things Dillsburg.

Dillsburg Borough Council has their workshop meetings the first Tuesday of every month and our council meeting the second Tuesday of every month at the borough building. These meetings are open to the public. Please check the website for any changes to the schedule.

The Dillsburg Borough Staff and Council would like to wish you and your family a happy and safe spring and summer!

Northern York County Fire Rescue

NYCFR would like to take this opportunity to update the residents and businesses on the fire department. Last October marked the one-year anniversary of having a paid staff on hand during the weekdays. This has been remarkably successful as the crew has had numerous calls which a quick response time was essential to saving property and lives. Farmers Fair was a success, having one of the best years on record, and looking forward to next year. The department completed the purchase of a new Pierce Fire Engine, upgrading the apparatus fleet. The new engine was designed to specifically fight all types of fires. Delivery is expected some time in 2025. NYCFR is always looking for new volunteers, applications are available online at northernYorkCountyFire.com. As always, the Officers and Members of NYCFR would like to thank all the residents and business owners for their continued support over the years.

Special Needs Forms

If you or someone you know who lives in the Dillsburg Borough has special needs, special needs forms are available. Only emergency personnel in the Borough will use this confidential information. Please call the Dillsburg Borough Office at (717) 432-9969 and request a form to be mailed to you or stop by the office during normal business hours and pick one up. Please note: You must fill out a form in advance and keep it updated if you would require special assistance from emergency personnel. You may also register online at York County Special Needs Registry, York County, PA (yorkcountypa.gov)

Tax Collector

Tax Collector, Debbi Beitzel, would like to remind residents that Real Estate bills for County, Borough and Borough Per Capita/Occupation tax bills were mailed on February 15th.

If your taxes are in escrow, that bill should be forwarded to your mortgage company for payment. Mortgage companies do not pay per capita bills!

All residents 18 years of age and older, regardless of job status, should be receiving a per capita tax bill. Please notify the tax collector if someone at your residence should be added to the tax rolls. **It's your responsibility to contact me if you haven't received your taxes and also if your job status has changed!!.**

Special hours will be detailed in mailed tax bills. A mailbox is available at my residence to drop off payments when the office is not open.

Please include both copies of your bill along with a self-addressed stamped envelope if you would like a receipt.

For questions, contact Debbi Beitzel at (717) 432-3341 or via email: dbgborotc@comcast.net

Please note: My tax office is now located at 233 S. Chestnut Street, Dillsburg PA 17019

Unpaid tax bills will be turned over to the delinquent tax collector and/or the Tax Claim Office of York County at the end of the year, incurring added cost.

Library News

There is a lot going on this spring and summer at the Dillsburg Area Public Library!

We kick off our spring schedule with the annual Friends of the Library Spring Booksale on April 20 from 9am to 5pm. The sale continues from April 22 to 27 during regular library hours. The final day features the always popular “fill a bag” for \$5.

The library will also take part in the annual Give Local York 24 hour giving event on May 3. On that day, your donations to the library, as well as hundreds of other York County non-profits, will be stretched via a special money pool. To donate on May 3, or for more information, visit www.givelocalyork.org.

Our annual summer lawn concert series will return for a fourth season in 2024. Concerts will take place in the Library’s Jordan Richardson Reading Garden on June 15 (The Woodies), July 13 (Pure Pop), August 10 (Tim Colgan), and September 14 (Stone House Breakdown) – all from 6pm to 8pm.

Events for adults include our Stitching Group every Wednesday night and Camp Michaux with David Smith on May 15. These programs start at 6:30pm.

Every third Monday of the month a representative from the Veterans Stability Initiative will be onsite to help veterans maximize their benefits. Registration is not required for this drop in event.

There are plenty of activities for our younger patrons as well! Pre-school Story Time takes place on Tuesdays and Baby and Toddler Story Time occurs on Wednesday and Thursdays, all at 10:30am. These programs will end for the spring on May 16 and do not require registration.

Other popular children’s programs include Lego Club on the first Thursday of each month, Evening Storytime on the second Monday of each month, Coding Club on the third Thursday of each month, and Kid’s Craft Night on the last Wednesday of each month. These programs start at 6pm and registration is required for Coding Club and Kids Craft Night only.

One special children’s program will be Planting Day on April 11 at 6pm. Get ready for Earth Day with your own baby plant. Paint a flowerpot and plant seeds in it to take home. While you’re here, help us start a new windowsill garden for our library. This program is for ages 6 and up and requires registration.

We are only a few short weeks away from our SummerQuest program for kids. We have lots of events and prizes lined up for the summer!

Do you enjoy the programs and services provided by the library? Please consider making a secure donation online at www.yorklibraries.org/support-york-libraries/donate-now/. Select Dillsburg Area Public Library as the library you wish to support.

For more information or to register for events, visit our online calendar at www.yorklibraries.org/events. You can also follow us on Facebook at www.facebook.com/dillsburgareapubliclibrary and on Instagram at www.instagram.com/dillsburg_library.

The Dillsburg Area Public Library is located at 204 Mumper Lane in Dillsburg.

Like us on FACEBOOK

The Dillsburg Borough, York County uses Facebook as an informal way to reach out to the community.

Residents are informed of any upcoming events, snow emergencies and any other important information the community should be aware of.

Street Sweeping

The Borough will be sweeping the streets again this spring with the new Kubota . If you have any questions, please, contact the Borough Office during normal business hours.

Weed Spraying

Brian, Public Works Supervisor, has the necessary certification to spray in Right-of-Ways and will be doing so over the next months, as needed. If you have any questions about exact dates when this will be done or type of pesticide that will be used, contact the Borough Office during normal business hours. Please watch for “No Parking” signs that will be put out when necessary. In order to avoid a fine and having your vehicle towed, please obey the signs.

Trash Pick-up and Recycling

Penn Waste’s regularly scheduled trash/recycling pick-up days are Wednesday mornings, with the exceptions of major holidays, which will be picked up on Thursday due to the holiday falling on or before the normal pick up day. Dillsburg Residents are reminded it is mandatory to recycle. Here’s how you can help:

1. Place your recycling bin out for collection on your scheduled pick up day.
2. When placing paper products in recycling bin with other recyclables, be sure paper is covered by heavier material so it doesn’t blow way!
3. Bundle any large loose pieces of cardboard that will not fit in your recycling bin.

Making changes to your home? STOP, you might need a permit!

A building permit is needed for new construction, additions, alterations, renovations and repairs. Installing new/replacement windows and doors, re-shingling roofs, re-finishing basements, pre-built sheds, in ground and above ground swimming pools (inflatable pools included), concrete pads and retaining walls also need a building permit. Most building permits fall under the PA uniform Construction Code (UCC) which requires a review of the application and inspections of the construction. The cost of a building permit varies with each application. Please call the Borough office for building permit fees.

A zoning permit is required when erecting or adding any structure. New construction, additions, garages, sheds, swimming pools, and concrete patios/pads are examples when a zoning permit is needed.

Failure to apply for a permit could result in a fine.

SO, WHEN IN DOUBT.....PLEASE CALL THE BOROUGH OFFICE

MS4—Stormwater

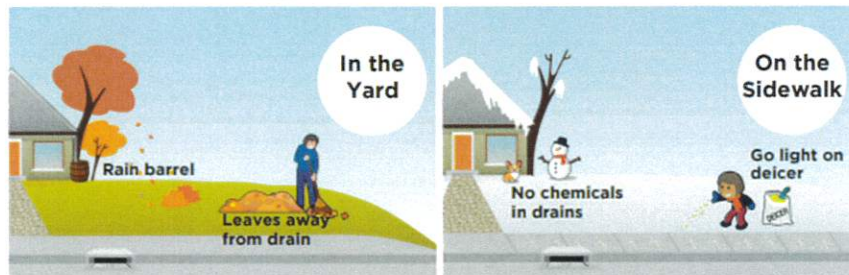

If you've been thinking about reducing your environmental footprint, you can take steps to decrease the amount of pollution that flows from your home into local waterways every time it rains. Known as stormwater, once rain or snow hits the ground, it can carry dirt, chemicals, and other pollutants downstream from your home and yard to the rivers and lakes in your community. Here are a just a few steps you can take to be stormwater smart at home:

Rain is great for your lawn, but excess rain can run off from your yard and walkways into the street, where it flows from the storm drain into local rivers, lakes, or streams, taking any chemical you've applied with it.

- Apply fertilizers and pesticides carefully on your lawn or garden and not on pavement.
- Avoid using fertilizers and pesticides completely if rain is in the forecast.
- Consider installing a rain garden, which is a depressed area planted with grasses or perennials that collects stormwater.

- Wash your car with biodegradable soap to avoid chemicals floating downstream, or visit a carwash.
- Direct water from downspouts and car washing to grassy areas, so it can soak into the ground rather than hit the pavement.
- Don't hose down your driveway and flush dirt down the storm drain.
- When watering your lawn, direct the spray toward your lawn and plants, not the pavement.
- Look for spots on the ground that indicate your car leaks oil or fluid. Don't let your leaks pollute!

- Use permeable pavers instead of hard stones or pavement in your yard to help water absorb into the ground.
- Don't rake leaves or yard clippings into the storm drain to avoid clogs and debris that could cause flooding.
- Install a rain barrel to help prevent rain from flowing into storm drains (and also save water for dry spells!).
- Pick up pet waste and keep trash and dirty water away from pavement and storm drains, where it can contaminate stormwater that flows downstream.
- During colder weather, avoid oversalting your sidewalks and use an appropriate amount of deicer—a little goes a long way.
- Sweep sidewalks and put the debris in the trash.

Friendly & Safety reminders

Sump Pump Discharge—While the Borough recognizes the need for sump pump use, property owners should be considerate of their neighbors. A sump pump discharge pipe directed towards adjacent properties can create problems such as unwanted water for your neighbor. When possible owners should discharge the sump pump to a front or rear yard onto an area that can absorb the water and allow infiltration instead of simply directing the water onto an adjacent property. Sump pump discharges directly to the Borough streets should be avoided. Sump pump discharge directly to Borough streets or sidewalks can create nuisance problems such as algae buildup and slick wet spots in the summer months. Constant discharge of water can also reduce the life of the curb and street surface, increasing maintenance costs for the Borough. With proper permitting, sump pumps can be connected directly to the storm sewer system; however it is illegal for a sump pump to discharge to the sanitary sewer system. Property owners should consult the Borough for assistance in determining the proper discharge method for your sump pump.

Streetlights - Please call the Borough Office if you know of a streetlight that is not working properly. You must know the exact location of the light or pole number in question and the nature of the problem. The Borough office staff will then contact Met-Ed. Met-Ed will then add the situation to their work order list and will be out to verify, and correct, the problem as their schedule allows.

Parking Fines – If you receive a parking ticket in the Borough, the fine will be \$25.00. If paid to the Dillsburg Borough within 72 hours the fine is reduced to \$15.00. If not paid within that time frame it will be turned over to the District Justice.

Residents and motorists are reminded to re-new their awareness of children playing and riding bicycles. Please slow down and be extra careful when driving in residential areas by driving defensively and expecting that from behind every parked car a child may appear. Please remember that it is the law - Motorists must yield to pedestrians in crosswalks. Offenders can and will be fined.

Ordinances (A complete listing can be found on our website)

Property Nuisances: Dillsburg Borough has both property and zoning ordinances that involve property nuisances. Grass, weeds, trees, bushes and other vegetation should be cut or trimmed to prevent overhanging, unsafe conditions and unsightly and/or obnoxious areas. There should not be an accumulation of trash, rubbish, building materials, junk, etc. on your property that could be considered a fire hazard and/ or harborage for snakes, rodents or other vermin. All vehicles, whether on the street or on your property, must be registered, licensed and inspected.

Animals: Ordinance 1988-3 relates to the custody and keeping of animals within the Borough. This Ordinance pertains to the number and type of animals allowed in the Borough, as well as issues dealing with noise, animals running at large and befouling property. An application for a permit is required in order to keep more than 4 dogs & cats, in aggregate number, more than 6 months of age on any premises, regardless of the number of owners. Please be courteous to your neighbors. Take noisy pets indoors. All dogs and cats must be under the control of their owner at all times. All dogs must be licensed yearly. You can get a license at the York County Treasurer's office or by checking out their website. It is unlawful for any person owning or custodian of an animal to permit that animal to defecate upon any public or private property, other than that of the owner or custodian. If an animal does defecate on public or private property, the owner or custodian must dispose of any feces in a non-leaking container for deposit in a trash container.

Requirements to cut & trim grass/weeds: No owner shall at any time permit grass, weeds or other vegetation to grow on their property to a height in excess of 8 inches, so that the said lot shall conform generally in appearance to surrounding areas. Methods other than cutting or trimming may be utilized so long as there is no interference with or damage to adjoining land. Undeveloped lots greater than one acre in size are excluded from this; a twenty-foot-wide buffer area must be provided adjacent to all abutting developed properties and public streets and sidewalks within which no weeds or plant growth in excess of 8 inches shall be permitted. A property owner shall not deposit grass onto a public street or alley, without removing the same by sunset the date of occurrence and returning the street or alley to its original condition.

Requirements to cut & trim trees: A property owner shall be required to cut/trim and keep trimmed all trees, bushes, shrubbery, flowers or other vegetation. A clearance of at least 8 feet above the sidewalk and 14 feet above any street is required.

Planning for a Loss of Power

All municipalities in Pennsylvania must plan for disasters per State Law Title 35 (Health and Safety), which requires municipalities to have a plan, staff, and location dedicated to **disaster preparedness**. To accomplish this, a unified group consisting of Dillsburg, Carroll Twp, Franklintown, Monaghan Twp, Warrington Twp, and Wellsville was formed. **NEMA's** (Northern York County Unified EMA) mission is to provide for the protection of persons and property in disasters affecting the Northern York County community at large.

The focus of this newsletter article is preparing for power outages. Power outages are not uncommon and can result from wind, ice, snow, and even a squirrel or rodent getting where they are not supposed to be. In the event of a power outage, you don't want to suddenly have to scramble for supplies. So, while you have power, it's a good idea to assemble everything you need in one place.

We live in a world where we can easily connect through cellular services and the internet. Please make sure that you keep your cell phone and other devices charged. In addition, make sure you have all the required adapters to allow you to use your automobile as a charger. On your phone, please ensure that you have critical contacts listed.

During a power outage, the company that supplies power to your residence will play a key role in restoring your service. As part of emergency preparedness, we recommend that you review their webpage to learn in advance how to report an outage. To do this, you must log into your account through the device you will use when the power is out. Please take the time now to familiarize yourself with the pulldown menus regarding outages. This is where you will find critical updates on power restoration during an outage.

In addition, keep a flashlight and spare batteries on hand. If you have essential medical equipment, please consider purchasing a battery backup. Set aside extra blankets, a first-aid kit, and medications as you prepare. You must also have a supply of bottled water and convenience foods that do not require cooking. Remember the can opener!

In summary, please remember the following:

- Keep cell phones and other devices charged and have adaptors for charging in your vehicle.**
- Keep critical contact details in your cell phone to provide or request assistance.**
- Become familiar with the power providers' website.**
- Keep critical supplies on hand.**

Again, today is the best time to prepare for a power outage. For more information on emergency preparedness, please visit the NEMA website: www.nemapa.org.

Thank you,
Tim Hildebrand
